

Because you're an experienced workplace superstar lawyer who wants to experience life more than work, who doesn't want to be confined in an office in downtown Vancouver, who likes the flexibility to work from anywhere in B.C. ...

it doesn't mean you have to put your career on hold.

*Roper Greyell is one of the most well-respected and recognized workplace law practices in Western Canada.*

We are growing and recognize that not all associates are alike. Working with Roper Greyell means joining a talented team of lawyers and administrative staff who support each other in an environment where people come first. Each of us performs an important role in the success of our firm and how we determine our future. We value and recognize the contribution made by everyone on our team.

strategy you have should be consistent as it leads to a strong brand  
fired as the process of coming up or making a unique name or  
oduct. Having a good brand strategy allows you to have a major  
large increase in your market competitions. Your brand tells your
